**AXIUM INFRASTRUCTURE PARTNERS WITH INDUSTRY LEADERS ON
CPV THREE RIVERS ENERGY CENTER PROJECT**

New York, NY (August 24, 2020) – Axiom Infrastructure (Axiom) in partnership with Competitive Power Ventures (CPV), GE Energy Financial Services, Osaka Gas USA, and Harrison Street, today announced it has reached financial closing on CPV Three Rivers Energy Center (CPV Three Rivers) in Grundy County, Illinois.

CPV Three Rivers is a state-of-the-art 1,250-megawatt natural-gas-fueled, combined-cycle electric generation facility that will use GE's latest highly-efficient HA turbine technology. The facility will sell its electricity and capacity into the PJM market, providing enough power to meet the demand of up to 1.25 million homes and businesses throughout Northern Illinois, including Chicago. Construction, which is led by Kiewit Power Constructors Co., will commence shortly and commercial operation is expected to begin in 2023.

"Axiom is thrilled to participate in the Three Rivers project and, when completed in 2023, to add this valuable asset in Illinois to its well diversified portfolio of infrastructure assets across North America", said Thierry Vandal, President of Axiom Infrastructure US Inc.

For additional details on the project please refer to the following link on CPV's website <https://cpv.com/media-center/press-releases/>

About Axiom Infrastructure Inc.:

Axiom Infrastructure (comprised of Axiom Infrastructure Inc. and its affiliated entities) is an independent portfolio management firm dedicated to generating long-term investment returns through investing in core infrastructure assets. Axiom Infrastructure had C\$5.1 billion in assets under management as of June 30, 2020, as well as C\$1.7 billion in co-investments. The firm benefits from the capabilities of a group of specialists with decades of experience acquiring, developing, financing, operating and managing infrastructure assets. Focus is placed on assets that are supported by robust market demand and under long-term contract with creditworthy counterparties. Since 2010, the firm has invested in a diversified portfolio of over 145 North American infrastructure assets. For further information, including information about other infrastructure assets the firm has invested in, please visit www.axiuminfra.com. This release is for informational purposes only and does not constitute an offer or solicitation to buy securities of any entity.
